

Additions to Terms and Conditions of Registration document

1. Cash payments inside the UK

We encourage prospective and existing students to pay your tuition fees and other College expenses by the above methods since we prefer not to handle cash transactions. However, if you have no choice but to pay in cash, please do so at the College's Student Services department. You will be given a receipt as proof of payment.

Those of us who work at the College strive to manage the delicate subject of money with tact, efficiency and understanding. We will always try to help you in any way possible as far as financial matters are concerned.

2. Cash payments outside the UK

We strongly advise prospective students not to pay your consultant in cash. Alfred the Great College has a very strict policy concerning cash payments and we will only accept cheques, Direct Debit payments or online transfers. Because of our policy, we will not be held responsible if cash is paid to your consultant. Indeed, if we find out you have paid in cash we will cancel your CAS. Please contact the College if you have any questions or concerns and we will be glad to advise you.
